Commissioner for Patents

Sir:

In response to the non-final Office Action mailed from the Office on June 28, 2005, please be advised that a continuation application was filed in response to the Office Action on October 28, 2005. To ensure that the continuation application is a timely response to the Office Action, a one-month extension is necessary in this matter. Further to the Blanket Petition filed for this matter on November 21, 2001, the Office has the authorization to charge the one-month extension of time in this matter to Deposit Account No. 18-0580. As the one-month extension of time will extend the time for response to the Office Action to October 28, 2005, the continuation application, filed on October 28, 2005, is a timely reply to the Office Action.

If the Office deems that an additional fee is required in this matter in order to ensure the timely filing of the continuation application, the Commission is authorized to charge such fee to Deposit Account No. 18-0580.

Respectfully submitted,
